

Congratulations on your engagement!

Thank you for your interest in the Sterling National Country Club as a possible location for your upcoming wedding. This is such an exciting time for you and your fiancée. It would be our pleasure to assist you in hosting your special day, while working to ensure that your wedding is all you've envisioned it to be.

Located on a picturesque private golf course in central Massachusetts, Sterling National Country Club offers a one-of-a-kind event for a marketable price. We have a beautiful gazebo for outdoor ceremonies, a private bridal suite, separate cocktail area, and grand ballroom with beautiful panoramic views of the golf course, that can hold up to 225 guests.

What makes us unique you might ask? We only host one wedding per day, so you and your guests are our top priority! All of our food is freshly prepared on site by our head chef and amazing culinary team. Our onsite wedding specialist works with you from the initial planning stages until the last dance! From the included house Chiavari Chairs to the color coordinated table linens we believe that even the smallest of details help to make the best events complete.

By choosing Sterling National it is our guarantee that our professional, friendly staff will assist you from beginning until end. Please contact our sales office to arrange a tour of our facility and discuss how Sterling National Country Club can assist you in creating the wedding of your dreams.

We look forward to hearing from you!

Sincerely
